NOTE FROM EDITOR-IN-CHIEF

On behalf of the Board of the Journal of Educational Foundations, Faculty of Education, University of Nigeria, Nsukka and my co-editors, I am glad to present Volume 14, Issue 1 of our Journal to the general public. The Journal, established in 2010, now publishes 2 issues per year. It may interest you to know that the journal is now getting indexed in Directory of Open Access Journals, Academia, Research Gate and also in different academic platforms. *All these are promising signs of greater tomorrow and greater prosperity. This giant stride is possible due to robust support of Board Members and generosity of the readers and contributors (authors and reviewers).*

Journal of Educational Foundations aims at being a leading peer-review journal from all fields relating to Educational Administration and Planning, History of Education, Guidance and Counselling, Philosophy of Education, Educational Psychology, Sociology of Education, Childhood Education and Special Education.

We publish well researched theoretical and empirical papers on current issues in Education. It is expected that readers and contributors will find the articles thrilling and rewarding. Our golden age is in the future not in the past.
