The Journal, established in 2010, now publishes 2 issues per year. It may interest you to know that the journal is now getting indexed in Directory of Open Access Journals, Academia, Research Gate and also in different academic platforms. *All these are promising signs of greater tomorrow and greater prosperity. This giant stride is possible due to robust support of Board Members and generosity of the readers and contributors (authors and reviewers).*

Journal of Educational Foundations aims at being a leading peer-review journal from all fields relating to Educational Administration and Planning, History of Education, Guidance and Counselling, Philosophy of Education, Educational Psychology, Sociology of Education, Childhood Education and Special Education.
